

Christian Community Children's Camp

For children from 7 to 14 yrs of age

16th – 26th July 2011

At Camphill Oaklands Park in the Forest of Dean

Games, Singing, Art and Craft projects, Organic Farm food, Treasure Hunt, Hiking, Improvisation, Swimming, Pranks...

The Helper team comprises mostly Waldorf School Parents and Upper School Students under the leadership of Aaron and Judy Mirkin who have run such camps for many years in South Africa and pioneered this new local initiative with the first camp, seen in the pictures, at Oaklands Park last year. We sleep in tents and meet in the barn.

The children grow in social awareness and confidence through shared initiatives and activities together with around 45 other children, many of whom they barely knew before. In addition they gain a whole new set of craft skills, and experience the challenges and joys of taking a creative project through from beginning to end.
