There are 4 small guest rooms. Three of the guest rooms have a wash basin; toilets and shower are separate. There is a kitchen for self-catering needs. Local shops and pubs/restaurants are within a couple of minutes walking distance.

Unfortunately we do not have disabled access and there are steps and stairs inside and outside the building. We ask for your consideration regarding the other guests and our events taking place in the house.

Suggested contributions £16-£20 per person per night, first night £20.
