**May 2018**

**Dear members and friends of The Christian Community in Devon,**

Welcome to this new programme for the forthcoming summer months!  
It is full of art and biographies as well as the life of our sacraments.

The artists will introduce their work at the Opening of their Exhibitions:

In June Antoinette Jackson, who has lectured in Art and Design at Plymouth University and continues to teach sculpture classes in Devon, will show us some of her sculptures inspired by everyday life;

in July Ashley Towey, who studied at Exeter College of Art, brings us examples of his Graphic Design and Interactive Art;

in August Annemarie Stibbe, who is a trained Anthroposophical Art Therapist and has been painting and teaching for 25 years, will lead us through the processes of creating her work.

Annemarie has also offered a workshop making your own watercolours from the living material of the plant. (Early registration advised, see Saturday 25<sup>th</sup> August).

Friends from further afield could also come and join us for a few days holiday in Devon, staying in one of our guest-rooms.

We look forward to seeing you,

Sabine and carrying members
