**February 2022**

**Dear friends,**

**When we come together to worship we gather around the altar as individuals in community. This is very much the Whitsun theme and also the theme of our time.**

**The Spirit unites us in our aims for the future whereas when we loose our connection to the spirit we feel lonely.**

**As individuals we can unite our very own strengths to form a circle with a middle that reflects and is part of each one.**

**Exploring the characters of the 12 around the Christ in relation to the archetypes of the zodiac can be a journey of exploring what it means to be human in relation to the cosmos and come to an understanding of how our one-sidedness can contribute to the whole as well as be balanced by it.**

**Coming together to pray is the most powerful action we can engage in and this is becoming ever more essential in the world we are living in.**

**Looking forward to seeing you,**

**Sabine**
