

PREFACE

To all readers of The Christian Community Journals in publication since 1932: this little booklet is intended as a help in finding articles on a very wide range of themes. We hope that this will be an incentive to many to treasure their back numbers as a valuable reference library.

At the time of going to print for this second edition we were still unable to trace about half-a-dozen issues (see below) and some of the wartime issues. Otherwise complete, our collection is being added to with each new issue now up to and including 2008. We welcome information on any errors. We also welcome duplicate Journals, or requests for issues which you might be missing. Copies of the Index are available, – price £ 2.50 – from The Christian Community, 73 Cainscross Rd., Stroud, GL5 4HB, where duplicates are also kept. The contact name there is Erhard Keller.

For the future it is planned to put the index on to The Christian Community website (www.thechristiancommunity.co.uk) where it can be easily accessed as well as being regularly updated by the editors of Perspectives.

Some points on use of the index. The journal appeared as follows:

Christian Community Journal	Jan 1932 – May 1940
Monthly Typed Letters	June 1940 – Nov 1946
Christian Community Journal	Jan 1947 – Dec 1980
“The Threshing Floor”	Sept 1980/Jan 1981 – Nov 1992
“Perspectives”	Dec 1992 – present (2008)

In the years when each issue had its own individual page numbering, rather than running through the whole year, the month is also given.

A modest amount of imagination is asked of the user to familiarise him/herself with the Index – we have tried to characterise each article with one or two headings (consecutive articles on the same theme are indicated by “ff”), as well as including some basic cross-references, but we often had to make “personal” decisions as to where to include something, or which heading to use. Please, if you don’t find *Creed* under *Act of Consecration*, do look under *Creed* as a main heading, or, if you don’t find *Body* as a main heading, the maybe as a sub-heading under *Man*, a.s.o.

Due to many headings with only one entry we have often worked with general headings (e.g. *Festivals*) to include single entries (such as *Chanukah*). Obviously, festivals such as *Easter*, *Whitsun*, etc. warranted their own heading. Similarly, most Old Testament themes are together under one heading., while New Testament themes are separate.

We have excluded

- a) Poems, recipes, songs, the “British News Supplement” of “The Threshing Floor” years, and obituaries of all but very well known people (mostly priests).
- b) Most editorials, conference reports, letters and book reviews when not an extensive exploration of a particular theme.

The monthly articles on the stars are not listed individually.

The missing issues (not covered by the Index) are: June '36, March, July, August, September, October '38.
