

# The Christian Community in Forest Row

## Annual Congregational Meeting

Sunday, 10<sup>th</sup> March, 2024

### Financial Report

#### Summary 2023

Bank balances	at 1 <sup>st</sup> January, 2023:	£30,168
	at 31 <sup>st</sup> December, 2023	£12,912

Reserves from legacies in previous years allowed us to commission the garden project and weather the living costs storm.

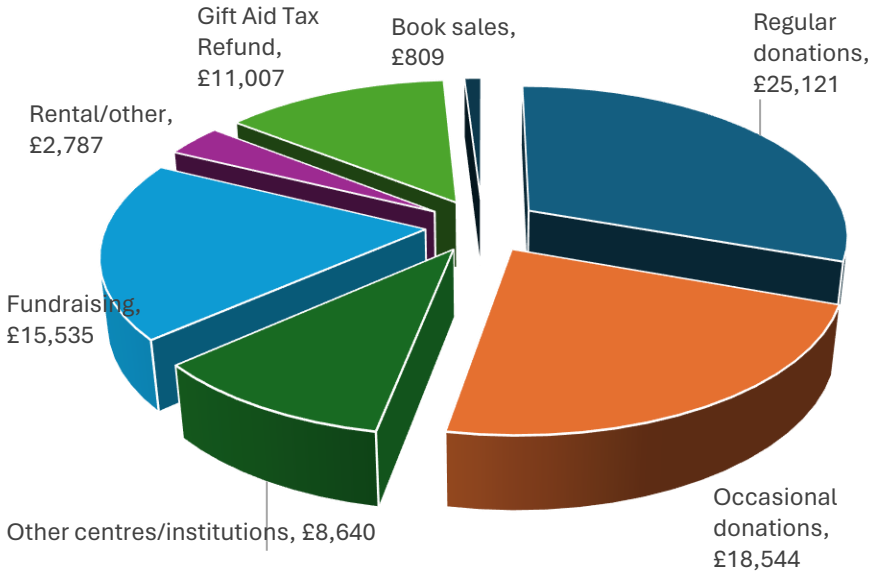

Loss of £16,356.

#### Projection for 2024

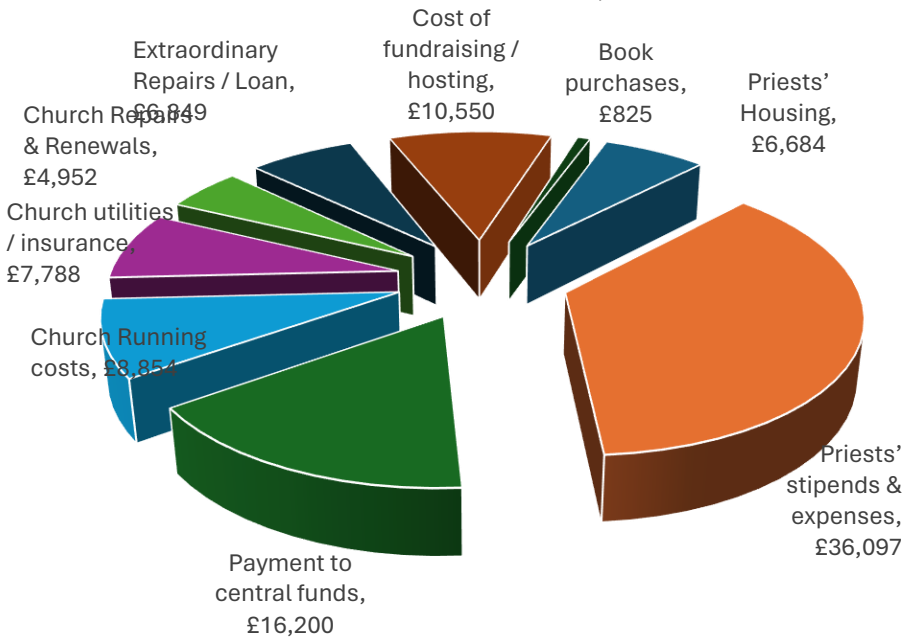

Projected result: loss of £4,154, after an uplift in regular giving of nearly £3,000. However, we have not budgeted for legacies, and we are aware of two in the pipeline.

# January-December, 2023

## INCOME: £82,443

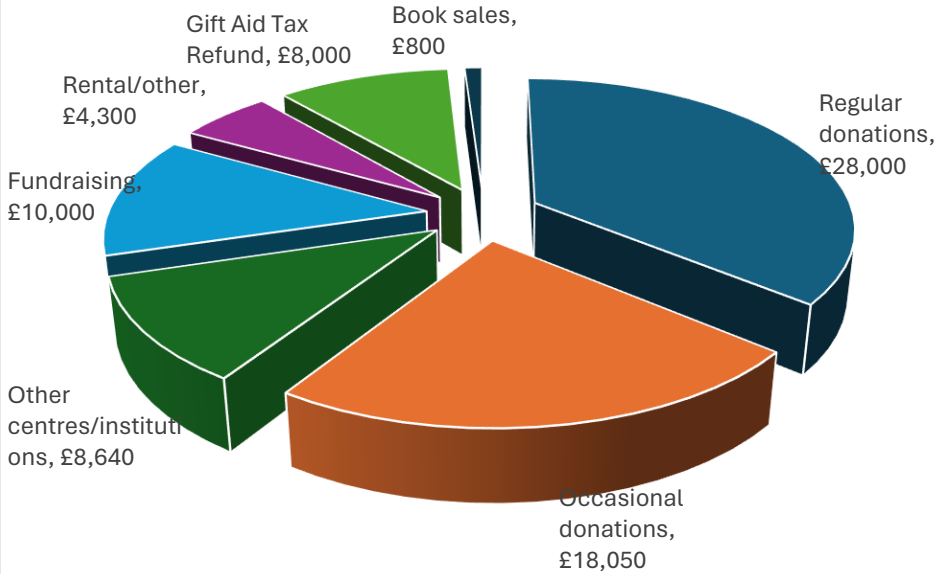

## EXPENDITURE £98,799

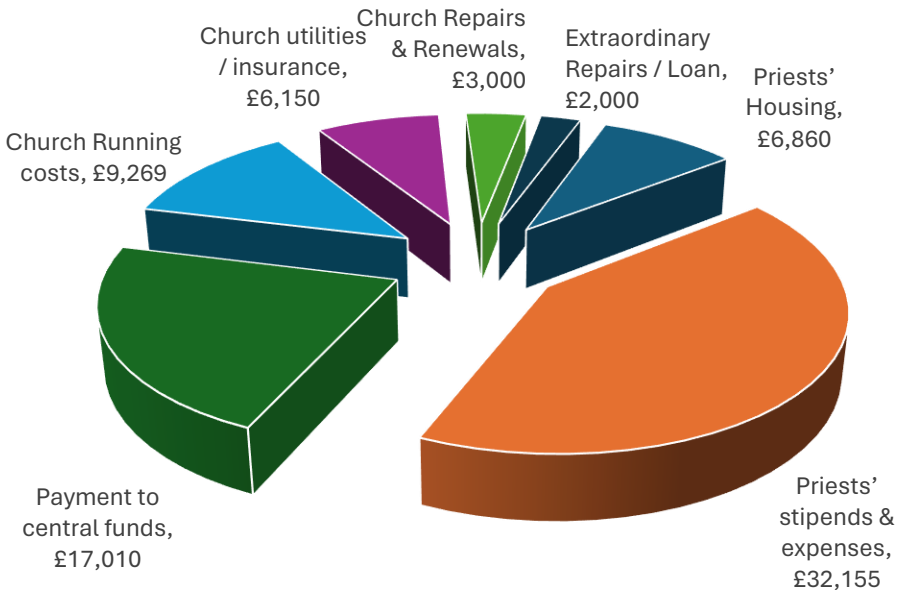

# Budget for January-December, 2024

## INCOME £77,790

## EXPENDITURE: £81,944

## How to make a contribution

- There is a collection box in the foyer. If you are a UK Taxpayer, please fill out your address on a yellow envelope and put that in the box with your contribution, so that we can reclaim tax on what you have given.
- We have a card reader which you can use to make a donation by card or contactless.
- There are forms by the collection box with details of our bank account, which you can use to make a regular donation by standing order.
- You can also download the form here:  
<https://tinyurl.com/CC-FR-FRM>

We are looking for someone to help with bookkeeping. We have an online system which is no more demanding than managing online banking for a personal current account.

We use Excel to prepare our reports, and if you had some familiarity with Excel, it would be an advantage. Or perhaps you'd like to learn a new skill!
